

# From the Editor

Dear readers,

It is my great pleasure to present to you a new issue of the Management journal, the third in the 2016 calendar year. This issue brings eight papers. As well as in each of the previous issues we made our best efforts to meet the requirements and tastes of our readers with a selection of the highest quality articles while simultaneously covering as many areas of management as possible.

May I take this opportunity to announce that the Management journal has a new Editorial Board that will commence its work as of the next issue. My best wishes to the new Editor-in-Chief, dr Mladen Čudanov, in his future endeavours in the period to come. This is also an opportunity for me to extend my gratitude to all the editors, reviewers and authors whose hard work brought higher quality to the journal. My thanks go especially to the Management of the Faculty for the valuable support they have given us all these years.

Yours Faithfully,  
**Dr Aleksandar Marković**
