

From the Editor

Dear readers,

It is with great pleasure that we present you the latest, 79th issue of the Management journal. This is the second issue of the Journal in this 2016 calendar year. This issue brings 7 papers, the majority of which deal with topics in the area of financial management. We have again done our utmost so that only the best quality articles should be published. On this occasion, on behalf of the Faculty and on behalf of the Editorial Board of the Journal, I would also like to express my gratitude to the Ministry of Education, Science and Technology of the Republic of Serbia because they recognised the quality of the Journal and will again allocate funds for financing the publication of the Management journal on a regular basis, as they have kindly done in the past years.

Finally, let me wish you a relaxed, pleasant and refreshing holiday.

Looking forward to the next issue of the Journal, I remain,

Cordially Yours,
Prof.Dr. aleksandar Marković
