

# From the Editor

Dear Readers,

At the very end of 2015 I would like to present you the 77th issue of the Management journal. This year we have published 31 papers in total, written by 85 authors from this country and from abroad. Only the highest quality works have been published, as usual. Let me take this opportunity to extend my sincere gratitude to all reviewers and all the members of the Editorial Board who did their best in their critical approach and suggestions to ensure

that only the papers of highest quality appear in each of the issues of our journal. May I also thank the Managing Board of the Faculty and the Ministry of Education, Science and Technological Development of the Republic of Serbia for the financial support that enabled us to publish the journal on a regular basis. I hope that the year before us will be even more fruitful and more successful for our journal.

Finally, I send you my best wishes for a Merry Christmas and a Happy New Year. Until the next issue of the Management journal, I remain, dear readers,

Cordially yours,  
**Aleksandar Marković,**  
Editor-in-Chief
